N.Y. CAPTOR™

YOUR BEST SHOT AT A DIRECT HIT!

● ● ● *More than a fast-moving shooting gallery.*

● ● ● *More than an exciting video game.*

● ● ● *More than a quality upright.*

● ● ● *An innovative new 2-piece gun game that's firing up players with on-target appeal!*

With 40 scenarios in hand, the player must prove the city's finest machine gun rating gangsters. The player must battle through the gang of his men to wipe out the "Boss" and clear the road. Excitement builds as the player chases the gang from a luxury mansion through city alleys to a showdown in a high-rise. If he wipes out the gang, the player gets a bonus round at the local target range. Extra point targets and risk shots are hidden in each scene. Penalties are given for shooting hostages. Players must conserve their shots and avoid the gangsters' machine gun fire.

Great graphics, stereo sound and an innovative 2-piece cabinet no wider than a standard upright all make N.Y. CAPTOR a game to set your sights on!
